## Architectural Graphic films

For building front decoration or city embellishment, special MACtac self-adhesive films can be applied outside.

Graphics on MACtac films **WW 100** can even be applied directly on brickwork or concrete. **WW 200** films are especially designed for short term indoor wall posters on smooth, flat surfaces.

**WW300** is designed for medium term indoor or outdoor on difficult substrates. Deco-Texture, the self adhesive vinyl paper-backed wall covering
